COMMUNICATION

S I R:

This Communication responds to the non-final Office Action dated November 5, 2003.

REMARKS

Applicant, inadvertently, elected with traverse to continue prosecution of claims 65 to 99 and 169 and 181. Applicant did not intend to elect claims 169 and 181, and intended to elect only claims 65 to 99. The undersigned apologizes for this mistake and any inconvenience that the Examiner may have incurred.

Applicant submitted by his Amendment of July 2, 2003 new claims 182 to 333. Applicant respectfully asserts that claims 182 to 333 as presented by this Amendment also fall within Group II. In a manner similar to claims 65 to 99, each of the newly added claims 182 to 333 variously recites: a server, a client system, a webpage, embed image into webpage, action session, a network, web interface, browser, email address, a communication path and electronic site. Therefore, Applicant respectfully asserts that the claims 182 to 333
